

**The engineer invited us all
aboard Santa's Express!**

Ho, Ho, Ho, Boys and Girls!

I love getting drawings that you color all by yourselves. In fact, I love them soooo much, I'd like to give you a nice gift if you would color this picture for me.

If you are visiting on July 27th, I'd love to give you a second Snowie free when you buy the first. Just bring your coloring to one of my Helpers at the Snowie Shack, and I'll be sure to receive it. Oh, I can't wait to hang it on my wall!
