

Santa's Village

JEFFERSON, N.H.

Ho, Ho, Ho, Boys and Girls!

I love getting drawings that you color all by yourselves. In fact, I love them soooo much, I'd like to give you a nice gift if you will color this picture for me.

If you are visiting on a Sunday, after 3pm bring this beautifully colored picture to Nick's Pizza Emporium and you'll be entitled to free small fountain sodas for you and your family when you purchase a large pizza.

LOL, Santa
